- Highly Commended:** St Lawrence School, Horncastle
Farming Past Present & Future

Well done to all the schools who took part, you wowed us all!

"We had the best day out all year and it was by far the best school trip that we've ever done"
Ms C Collett,
Leadenham C of E
Primary School

"The Schools Challenge is a wonderful opportunity for schools to work together on exciting topical themes and in the process learn about agriculture and the environment. Teachers will find themes link well with current thinking in sustainability, environmental awareness, outdoor learning and the creative curriculum"
Hilary Fowler Primary School Judge

"The schools were thoroughly passionate about their entries and we [the judges] were impressed by the in-depth research that had been undertaken by the winning schools"
Sally Mountjoy, Secondary School Judge

"I thoroughly enjoyed my first time judging and the standard and enthusiasm was very high. It has given me real faith in the younger generation"
Edward Dale
Secondary School Judge

"Judging such passion and commitment was emotionally draining. I personally got a lot out of the experience, congratulations to all those who took part"
Julian Hargreaves,
Primary School Judge

Sustainability at the Lincolnshire Show - School Trail

The seven schools who decided to take part in the trail finding exhibitors whose work links to the eight Sustainable Schools doorways will now be presenting what they found out to their peers back at school or compiling a diary of their findings. A prize will be awarded for the best presentation/ diary ideas submitted before the end of the summer term.

Professional Development Day for educators

"Lots of good ideas to develop our existing practice to encourage and involve the wider community"

Mrs P Dawson
Humberston Primary
School

Six workshops on food, farming and the environment were again available for 30 lucky educators. These sessions are totally free (including entry to the Show), highlight the support available and inspire attendees with ideas to take back to school.

2010 sessions

- Food For Life
- Renewable World
- Dig Your Dinner
- Epworth Old Rectory's new education program
- Food and Behaviour
- Creative Habitats

Visit our website for full details and workshop leader contact details, they would love to hear from anyone interested in their support.

School visits

39 urban and rural primary, secondary and special schools came for both educational and recreational visits.

Secondary school pupils wandered in independent groups with teachers safe in the knowledge stewards in their distinctive bowler hats were on hand if needed.

Tickets are heavily subsidised with one complimentary adult ticket offered for every ten children's tickets purchased, ensuring that parents and teachers alike can come along. See you next year??

"Being a rural community the Show offers a real benefit and supports our efforts towards community cohesion. We close on Thursday each year to encourage families to attend" Jill Fincham
Headteacher supported by the Governors of Osgodby Primary
